Overview

About the Program

The Western Australian Government has launched a \$300,000 Western Australian International Education Familiarisation (WAIEF) Program to connect with key offshore international education stakeholders.

The WAIEF Program will strengthen collaboration amongst the Western Australian international education sector and engage with influential stakeholders to expand opportunities for the State and enhance Western Australia's reputation as a study destination of choice.

The Department of Jobs, Tourism, Science and Innovation (JTSI) will lead the design and delivery of a series of familiarisations (famils) in 2024.

Each famil will be focused on an identified market or region and involve bringing a small, targeted group of influential stakeholders to the state to experience Western Australia as international students do.

Upon release of each designed famil brief to the sector, interested providers are encouraged submit an interest in participating in the famil itinerary through this form. If you have not received a copy of each famil market brief document, please contact JTSI at internationaleducation@jtsi.wa.gov.au

All enquiries and communication regarding the Western Australian International Education Familiarisation Program can be directed to internationaleducation@jtsi.wa.gov.au

I certify that I am the authorised person to submit this Expression of Interest (EOI) or am authorised on behalf of the Primary Applicant.
